Send and edit notes Create notes for all questions. When and where needed, edit or delete them if necessary. FREQUENTLY ASKED QUESTIONS Products and services What products are available on BrainDumps.com? Braindumps.com you a new test engine to help you prepare and pass your exams, guaranteed. Testing Engines are fully loaded with hundreds and thousands of questions and answers 100% guaranteed to help you pass. Each Braindumps.com subscription allows the owner to install and approve a test engine up to ten different exams in one month. What file formats do you use? Your test engine is a Java application running Microsoft Windows and requires the installation of a version of JRE before or during the exam installation process. After downloading, the test files are compressed or archived into .zip files. You can easily download third-party unzip tools winzip.com or 7zip.com (both apps are free). Engine testing What are the features of your test engine? The Braindumps.com Testing Engine is a fully customizable environment for taking exams and tests to best prepare you for an actual testing event. The test engine allows you to take extensive notes, retake exams over and over again, filter/in certain questions based on you as/dislike/skill. How long have you had Test Engine subscriptions? Each monthly subscription is good for exactly 30 days. You have access to more than 1,800 certification exams during your monthly subscription time frame. You are allowed to install and authorize up to ten unique test engines per month. The subscription is repeated, that is, every month your credit card is automatically charged. You can cancel your monthly subscription at any time. How to install a newly purchased test engine? In an effort to prevent theft and illegal distribution, we limit the amount of testing engines While you have access to download and install any of the over 3500 test engines, you are limited to downloading and installing the installation up to ten different test engines per month, you can also download one and the same test engine no more than ten times. Installing a test engine Once you have successfully completed the purchase of any gold package, you should have instant access to your products in the member's account (If your credit card is marked or needs to be checked manually, then you may experience a delay of up to 12 hours). Simply select the exam you want to study and: 1. In the Download exams table, click the Download link in the Test Engine column - you will get on the Testing Engine page of the selected exam. Then click the Download link again and save the suggested file to the location /directory you want to use on your computer to save it to. Your file will be archived using .zip format. You can extract a program by using a free zip utility such as WinZip (winzip.com) or any other one you want. Locate the file after downloading and unzip it. 2. Double-click the unused file to log on. (after unzipping, the file name should be something recognizable such as 70-291qa) 3. Allow the application to run and use the default settings. Select NEXT. The test engine requires a Java Runtime Environment (JRE) and will be installed if a version of it is detected. Once these steps have been completed, the app will ask you for an authorization code, which can be downloaded on the page from which you downloaded the file on Braindumps.com member's website. 4. Click the Request Authorization Code next to the exam you are installing. After a few moments, the authorization Braindumps.com will be displayed. 5. Copy and insert the exam authorization code into the installation app and click the Next button. 6. CONGRATULATIONS! Your test engine is now installed and ready for use. Note: 1. You will receive two exam authorization codes and are allowed to install a test engine on up to two computers. Each authorization code is for only one installation. 2. Although you have been granted permission to install the application on up to two computers, you are not allowed to publish, distribute or transfer Braindumps.com engine testing or authorization codes. Is my computer powerful enough? What are the requirements of the test engine installation and start system? There are four computer/PC requirements for installing test engines: You must work in Microsoft Windows; You must have permissions or rights to install programs in Microsoft Windows; The computer on which you install the Test Engine must have Internet access; You must install or have already installed Java Runtime Environment (JRE). I'd like to try it before I buy it, do you give samples? Yes, we have a few examples from which you can get acquainted before buying an actual product. Access our delivered samples by visiting the Demo page As soon as I can renew my BrainDumps test engine subscription? BrainDumps.com The monthly subscription is repeated, i.e. it is automatically re-charged by the payment processor. If you want to unsubscribe, simply follow the instructions provided by your payment processor in your first payment confirmation email. Is my expired subscription still renewable? Yes, you can renew your previous subscription from your member's account web-Braindumps.com your member's account. Just log in to your BrainDumps member's account and follow the instructions. You'll also be able to view previous orders and access your bills and payment history. Buying a product What forms of payment do you accept? You can pay online by credit card or debit card. We accept the following credit cards: Visa, Master Card, American Express, Maestro, Solo or Electron. How secure is my personal information with Braindumps.com? 100% sure! We do not store credit card or personal identification information on our servers outside your email address and Braindumps account information. My bank account or credit card is not in US dollars, how can I continue to pay? You can continue to use your purchase with your credit card as usual, and your financial institution/bank will convert from your default currency to USD on the day of purchase at your bank's exchange rate. The Braindumps website will only display the USD price and will not display other currencies or the current exchange rate. Your credit card or bank statement may show a different purchase amount based on your default currency and any fees charged by the bank for the conversion. Braindumps only charges you for the product you buy, Braindumps doesn't charge you for currency conversions or exchange rates. The customer is solely responsible for all related bank charges relating to conversions and exchange rates. What kind of bill do I get? You'll immediately receive an email confirmation re-listing your order details and welcoming you to the site. Welcome email and order receipts are the only account you'll get. However, you have access to previous invoices that you can print on demand. Where can I find my product after purchase? Purchased products are available in the member's account. To download the product, follow these steps: 1. Go to www.braindumps.com 2. Sign in to your member's account using the form (top right corner). Keep an eye on the beginning: If you're already signed in, just click the Sign in to account link in the menu above. 3. Enter your email address (username) and password. Click the Sign In button. 4. You will see the latest versions of purchased products in the Download exams section. Use download links to access/download products. How can I get my product and how soon will I get them? You will usually have immediate access to your account and purchased products. You'll find these products available for download after signing in. However, if your credit card is marked or check manually, and then you may experience a delay of 12 hours. General questions What is the quality of Braindumps products? Braindumps.com creates and distributes the world's best test engine. All questions and answers are individually checked by our team of experts in online courses and IT prep. No other test simulator has the ability to provide explanations with accurate answers to boost your skills and confirm your training understanding. How is braindumps product quality achieved? Braindumps experts, including MCSEs, MCDBA, MCTs, CCNs, CCIEs, etc. check the answers and provide explanations. Especially providing explanation increases the accuracy of the answer. We also receive customer feedback on our products. So we constantly need to review our products. These factors guarantee a quality product and ensure your success. How can I report an error or error in any of your practice exams? If you think you have found an incorrect answer/explanation or if the question seems inappropriate, contact feedback@braindumps.com and please observe: The exam you are preparing for and the version number; The number of the page where you found the error; Specific number of questions; Your contact information, including your email address (username) associated with your account. TOGAF 9 certified testimonials very easily. I was happy to get a high grade, it was difficult for me to manage the time to prepare exams since I applied for that exam. But braindumps questions on the TOGAF exam gave me a chance to study at home. It was really nice to study a braindumps course. Way to go guys! Thanks, I passed a good score of 77% for the exam without any problems. Merri Wallach, Tennessee, USA Braindumps Removed My Concerns Thank you, Braindumps QA for helping me passin' TOGAF! I started preparing almost seven weeks ago. I studied braindumps material thoroughly, and it gave me more knowledge and confidence in the exam. I also used the TOGAF 9 Foundation Study Guide - 2nd Edition by Van Haren. Braindumps QA covers a lot more topics in depth to its competing suppliers. Thank you Braindumps. Dulcie Mckelvy, California, U.S. Braindumps truly cares for her students! I completed the TOGAF exam with the help of braindumps QNA. Many thanks to the braindumps QNA team who put their much-researched information to help candidates like me, who have very less time to prepare. Thanks again braindumps is 100% guaranteed formula success for any exam. I passed the exam with 82% and it is one of the best results achieved on the exam to date. Magen Marrin, Utah, U.S. I'm very happy with Braindumps! The material was simple enough to understand and I passed my TOGAF exam on my first attempt. I am very pleased with the braindumps dumps for the TOGAF exam. Most importantly, the test engine helped me organize my time. This helped me understand the most important areas to prepare and where I should have prepared more. Karolyn (film) Missouri, Now. My success with Braindumps! My best advice to other candidates is not to skimp on exam review. The time and money you are investing now; it'll be worth it for life. I made up my mind and got success on my TOGAF exam on my first attempt. I attribute a lot of my success to that OGO-093 braindumps QA exam. TOGAF 9 Foundation Study Guide - 2nd Edition by Van Haren is also a must have book for your preparation. Braindumps questions for the TOGAF exam are one of the best investments you can make. Gladis Bollman, District of Columbia, U.S. 100% Pass Guarantee or Your Money Back How to Request a Refund/Exchange? In case of failure your money is completely secure by braindumps guarantee policy. Before taking the warranty, all downloaded products must be deleted and all copies of braindumps products must be destroyed. Under what conditions can I apply for a guarantee? The full refund is valid for any BrainDumps testing of an engine purchase where the user fails the appropriate exam within 30 days of the date of purchase of the exam. The exchange of products applies to customers seeking a warranty within 90 days of the date of purchase. The customer can contact BrainDumps to request this warranty and receive a full refund support@braindumps.com. Exam failures that occur before the date of purchase are not qualified to claim warranty. A refund request should be submitted within 7 days after the exam has failed. The money-back guarantee does not apply to the following cases: failure within 7 days of the date of purchase. BrainDumps highly recommends candidates a study time of 7 days to prepare for the exam with BrainDumps study material. all cases of failure within 7 days of purchase are rejected because there is insufficient study of BrainDumps material. Wrong purchase. BrainDumps will not entertain any claims after the wrong product is downloaded and installed. Free exam. (Regardless of the failed or wrong choice) Expired Order(s). (from 90 days from the date of purchase) Retired exam. (For customers using our current product to participate in an exam that has already retired) Audio exams, hard copies and laboratory preparations are not covered by the warranty and cannot be applied against. Products that are given free of charge. Different names. (Candidate's name differs from the payer's name) The refund option does not apply to packages and therefore the warranty cannot be requested to purchase the package. Warranty rules do not apply to entrance tests/courses, Cisco, CISSP, EMC, HP, Microsoft, Oracle, PMI and SSCP exams because www.braindumps.com only provides practice issues for them. Obsolete test products. Download the free test engine Demo Experience BrainDumps test engine test for yourself.
