## 2016 california electrical code pdf free

This document was published by Public.Resource.Org, which is not affiliated with or authorized by the U.S. government, the State of California, or any standards development organization. We have published this document to allow citizens to read the laws that govern us. Note that many of these documents had to be purchased on the used market. Many of the laws in this collection have been re-keys in HTML and redesigned diagrams for greater usability and accessibility. Please note that the scanning, OCR and rekeying process may introduce errors. In addition, regulatory bodies will often issue incorrect or re-emerge rules over time, and government bodies can change the standards they incorporate into the law. Please check with standards organizations or government authorities for more information and access to the final versions of these important laws. In order to promote public education and public security, equal justice for all, better-informed citizenship, the rule of law, world trade and world peace, this legal document is made available here on a non-commercial basis, as it is the right of all human beings to know and pronounce the laws governing them.
